

RANCHO SAN JOAQUIN MIDDLE SCHOOL

INTRODUCING YAT

YAT, or the Youth Action Team will be running really fun activities this year. Outside of school they have activities that impact Irvine for the better, for example, beach clean ups, homeless shelter donations, food drives, and more.

From the official website: "Students initiate, plan, and implement dances, after-school activities, and community service projects focusing on the environment, and youth, senior, and disabled communities."

JOIN THEM STARTING SEPTEMBER 8TH, 2021!
